Dear Chairman DeFazio and Ranking Member Graves,

I write to request funding for the Middle Avenue Pedestrian/Bicycle Rail Crossing Project in the legislation to reauthorize federal surface transportation programs. The project sponsor for this project is the City of Menlo Park and the project is located near Middle Avenue in Menlo Park, California 95025.

If included in this legislation, the funding will be used to provide a safe pedestrian and bicycle connection across the Caltrain tracks near Middle Avenue in Menlo Park. This project is an appropriate use of taxpayer dollars because it will provide important public benefits, including improved traffic safety and connectivity for pedestrians and bicyclists.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your attention to my important request.

Most gratefully,

Anna G. Eshoo
Member of Congress
